

Linenhall Arts Centre: Technical Specifications and Information

Access to Linenhall Arts Centre is via Linenhall Street, however there is no parking on the street outside the arts centre. You can park with your hazard lights flashing to load in/out only. The load in alley has space for a small size van for load in/out.

- Please liaise with the Buildings/Technical Manager on get in times, pre rigging and anything else.
- The Linenhall Arts Centre will not allow any fixing to the Vario stage units, floor or any walls of any kind.
- All electrical equipment toured (including lanterns) must conform to current safety standards and regulations.
- All lanterns to be fitted with safety brands.
- All sets should have a valid fire certificate.

Any toured equipment deemed unsafe by the venue staff may not be used. The Linenhall Arts Centre reserve the right to refuse the use of any equipment including scenery deemed to be unsafe.
