

Exhibiting Your Work at the Linenhall Arts Centre

The work ranges from that of younger emerging artists to those of international reputation. The Linenhall accepts submissions for exhibitions on an ongoing basis. The committee usually meets bi-annually and confirms the schedule two years in advance. The committee is due to meet again in summer 2024.

Exhibitions usually run for a 5-week period and we are flexible regarding dates, installations and schedules.

The Linenhall provides support for exhibiting artists as follows:

- an artists fee of €500 per exhibition
- 1 technician and/or 1 installer for 1 day to assist with installation
- insurance cover
- marketing and publicity throughout the exhibition
- opening reception contribution towards transport fees decided on a case-by-case basis
- contribution towards accommodation costs decided on a case-by-case basis

Exhibition proposals should include:

- Contact details; name, address, phone number (and email address if used)
- A current curriculum vitae
- An artist's statement
- A maximum of ten images of the artists work in slide, jpeg or photographic format.

Original works will not be accepted.

Exhibition proposals are considered by the Linenhall's Visual Arts Committee on a regular basis and at these meetings the exhibition programme is selected. Exhibitions are programmed approximately one year in advance.

Exhibition proposals should be submitted by email to Bernadette Greenan
